DECLARATION OF DR. KENNETH F. BUECHLER

I, Kenneth F. Buechler, Ph.D., state and declare as follows:

1. I am currently President and Chief Scientific Officer for Biosite Incorporated, San Diego, CA, the assignee of the above-referenced U.S. Patent Application No. 10/697,356. I am named as sole inventor on the '356 application.

2. I have reviewed and am familiar with the specification filed in the '356 application, and the Office Action concerning the application mailed on October 19, 2005. I am also familiar with Buechler *et al.*, WO96/33415, on which I am also named as an inventor.

3. I do not agree that the subject matter presently claimed in the '356 application is disclosed in WO96/33415. However, should the Examiner disagree with this conclusion, I alone conceived the subject matter presently claimed in the '356 application and I am the sole inventor of that subject matter.

4. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements so made are

Patent
